**S**illwater is a family owned and operated resort with smoke free/pet free cabins. We are not a party resort (RESPONSIBLE DRINKING ONLY/NO MARIJUANA SMOKING ANYWHERE ON PROPERTY/QUIET HOURS ARE ENFORCED) so our guests can enjoy the tranquility found in the grove of oak trees that surround us and the beautiful view of the Lake. Our covered dock sits in a quiet cove on one of the best fishing lakes in the Midwest. Lake Pomme de Terre is well known for its many varieties of fish including Largemouth Bass, Crappie, Muskie, White Bass and Walleye. PLUS - We are only 8 miles away from Lucas Oil Speedway!

Our heated/air-conditioned cabins include flat screen TV with cable\*, microwaves, stove tops\*\*, linens, towels, dishes, utensils, pots, and pans. Other amenities include decks with BBQ grills and chairs where smoking is allowed (tobacco only). We also have a picnic area, a communal fire-pit with wood provided for evening campfires and a playground for the little ones. \*Cable and WIFI speed/access is not guaranteed – we have “rural access.” Available for our guests only is our private covered boat dock with electricity and a fish cleaning station. The dock is a short walk from the cabins (visible from cabins as well) or accessible by car. Please note dock access/amenities depend on lake levels – please check in advance.

Although we are secluded from the big city life, we still enjoy most all the conveniences. One mile from the resort is an 18-hole golf course and gas and convenience store that will take care of all your needs including bait & fishing licenses. There is a public swimming beach at Wheatland State Park around the cove. Within 10 miles is a grocery store, laundry and numerous restaurants.

Come and visit us, you won't be disappointed!

\*\*Cabins 5, 7, 8, 9 also have ovens

*We pride ourselves on keeping our cabins clean, updated and comfortable.*

*Enjoy the beauty of the outdoors from your deck.*

*All cabins have a wonderful view of the water!*
